7. I See Myself With You

(Benzene, Vinyl)

Music & Lyrics by
David Quang Pham

Chemically Moderato (♩ = 100)

Benzene: Free-spirited lovers can be the worst!

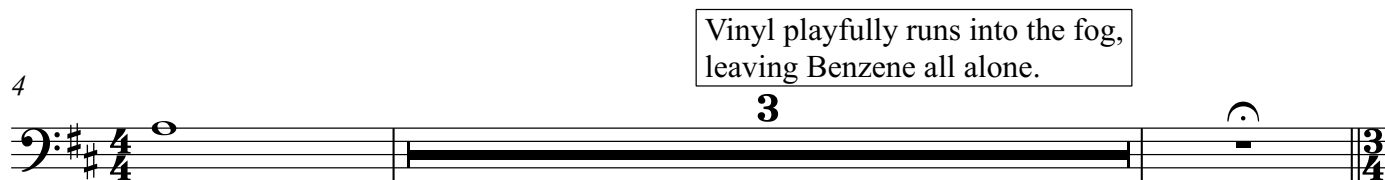

Vinyl: Speak for yourself. Do not worry because you smell like gas! It's impossible to lose you!

Benzene: Really, PVC fart? Because you lost me here.

Vinyl: No way. We've been together for a moment. But we do need time on our own to see clearly again.

Benzene: I cannot even see myself...

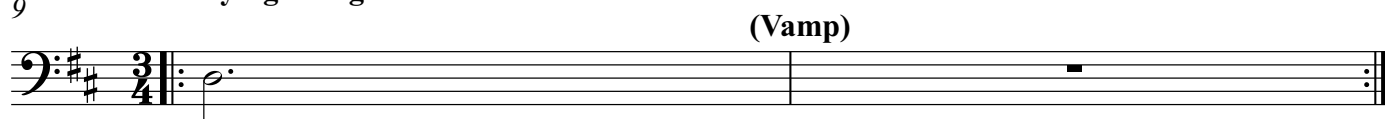

Vinyl: We'll cross this bridge when we get to it.

Benzene: I am small. I am too small. Too small for light that I cannot see it. I lack the complexity of sight. I am small. I am so small. So small I am always an oversight. I am tiny to this world. I am very small. There is atomic will. Free will in these condensed matters. The fog is nothing.

The fog is nothing. I can see through this fog, beyond the murky molecules. I am Benzene. I can feel clearly the cues. Vinyl's cues. I want to adopt gay frogs with you! As many gay frogs as we want! We didn't just fall in the river, we fell in love.

8. Airborne (Love's in the Air)

(Benzene, Vinyl)

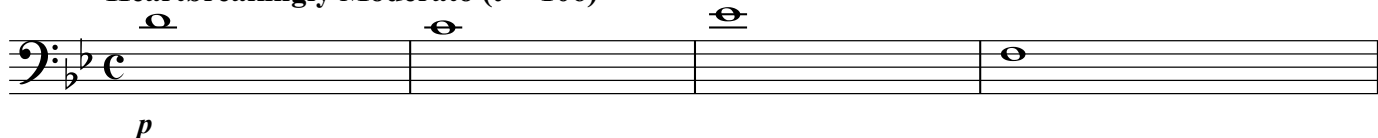

Music & Lyrics by
David Quang Pham

The eagle tackles Benzene.

Vinyl: Benzene!

Heartbreakingly Moderato ($\text{♩} = 106$)

Mother Nature: I told ya. Mother Nature knows best.

Vinyl: Fuck you, Mother Nature!

(Vinyl tries to lift up Benzene, but Benzene is too heavy.)

Vinyl: Why ya gotta weigh six carbon, hydrogen atoms?!

Mother Nature: I stopped you on land. I stopped you in water.

Vinyl: Our water didn't last... Benzene, you may be insoluble in water, but what about my tears?

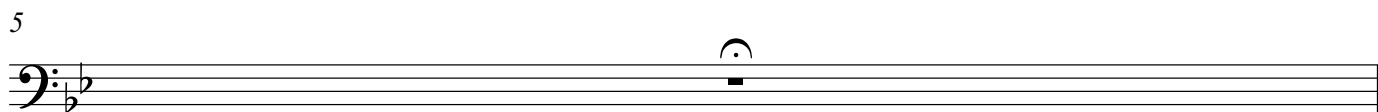

Mother Nature: You two are my kidney stones and I'm ready to relieve myself of you cancers!

(Vinyl sees two rocks by Benzene.)

Vinyl: Our train ride is not over, Mother Nature. Here is our last stop.

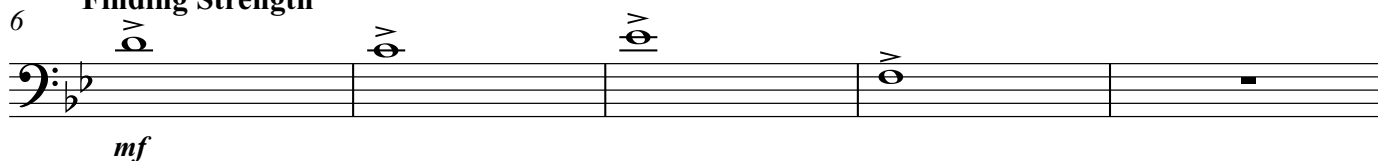

Mother Nature: Indeed. You're right on track to your end.

Vinyl: It's the start. Air is your last chance to be reborn. I just need to strike...

Vinyl: ...a chord. A match.
Long live Benzene and Vinyl...
